

Retained failure evidence

Final single-pass false accepts:
  symmetric (seed 1029101)
  local_opposite (seed 1029101)
  symmetric (seed 1029102)
  local_opposite (seed 1029102)

Real wall-speed error: NOT_VERIFIED
Real PZT-OFF segment: NOT_IDENTIFIED
Cross-recording generalization: NOT_VERIFIED

Synthetic diagnostic uses already exposed development scenes; not another blind test. Dashed step curves are interval-equivalent truth. No physical wall or PZT ground truth inferred.
