

ID 3 | Real inlet-rim geometry

Actual inlet mesh and first positions

P9-A crosses the inlet cap

Geometry to scale; arrows show normalized directions (not relative magnitudes).

- | | | | |
|----------------|-----------------------|------------------------|----------------|
| WALL triangles | Nearest WALL triangle | Birth / P9-A positions | FEM velocity u |
| Inlet cap | P6.5 first 1 ms | Wall normal n | Shear s |
